“ Cheryl, Daniel, and families,

We were neighbors to Red when he and your mom moved to Herscher. We had no idea that he had been sick or in Miller Center or we would've stopped to visit. As we viewed his empty house, we assumed he was out in WA enjoying time with family. He was a wonderful man and will be missed in our neighborhood. When out mowing or working in the yard, he'd always stop what he was doing to chat for awhile. We pray that he and your mom are having a joyous reunion in heaven. God be with you.

“ Cheryl & Danny,
I am so sorry for your loss. Janice and I visited with your Dad last week and we probably the longest conversation that I've ever had with him. He was always kind, caring and had a smile for you each time you saw him. If we could be half the person our fathers were we should be proud. Saying a prayer for you both.

“ *Our prayers are with you in your sad loss. May God's loving arms hold you and comfort you and may His peace be yours. Your wonderful memories of a loving, kind man who always had a smile for others bring smiles.*

I stopped in to see him at Miller about a month ago and he was the Red we have always known, friendly, kind, warm and inquiring of others among our mutual friends. He will be missed by many.
