“ *Brenda and family. We're so very sorry for your loss. We thought a lot of Dick, and he will be missed. He was a great guy. We're so glad we saw you and Dick a few months ago in Carlo's. He looked so good that day, and we'll treasure our visit with him. We've had a lot of good times together in the past. Our thoughts and prayers are with you and your family. Take care.*

“ Grandpa,

*I had so many great memories that i couldnt have had with any other grandpa but you! you were such a jokester (= I miss you tremendously already and cant believe your gone. i remember sitting in your room at 3:10a.m. on saturday morning and my mom saying i think he's gone. i started crying. i cant believe it. you were a great guy and im sure you will be a great guardian angel. watch over us please and keep us all safe. Even tho your gone you spirit still lives within us,you were a great fighter and no matter what you always had a smile on your face and no matter what pain you had you never complained. you kept a great attitude about it. i love you so much and i had so many things i wish i coulda said but its too late. but the most important and the last thing i said to you was i love you. and i will miss you dearly. i didnt say goodbye to you but i said ill see you later. i love you more than you will ever know.

Dad,

*I know you are safe in heaven,and it is selfish to wish you back to this earth, but if I could have one last moment with you, I would so ask for it. You were an amazing dad, always there when I called for support, or advise, I love you more than you will ever know! Thank you for your guidance, kind words, and for making me laugh. You were a friend, a mentor, but above all a man full of wisdom, integrity, and the ability to touch every heart you came into contact with, it was an honor to be your daughter and an honor to call you dad, I am so grateful to have held your hand as you passed to a better place, it was hard to watch you leave us,there was a mist outside that early sat morning when you left, but there was a storm of sadness inside me... I will never forget our final moment, I am so blessed and honored to have been there with you. Thank you for accepting me as you did, I will take care of momma brenda as I promised you.I will see you in heaven and again I will hold your hand ...til then god keep you in his arms,and sleep with angels. I love you dad!! Always & Forever!! See ya on the other side :)
