“ *It is with a sad heart I am writing this....I am so sorry to hear of Mr. Palinski's passing.*

My husband Paul & I send our deepest sympathies to the family & friends. I had a very busy week last week & was getting prepared to leave town so I totally missed this in our daily journal, who would think your neighbor could pass & you not even know? But that is the case, and the reason we missed the services....for that we are so sorry to Dorothy!

Mr Palinski was a good neighbor to us & I will never forget watching him & Mrs. Palinski doing their yard work year after year, and working so hard on their beautiful garden.

He had the BEST tomatoes I have ever tasted! I watched him many times this time of year preparing for winter, he would get up on the roof like a 20 year old & I would not stop watching him until I knew he got down safe. He had alot of spunk & energy & it was hard to watch him get weaker over the years.....

I will always think of him when I look out my door & if there is anything at all we can do for anyone please don't hesitate to ask.

R.I.P. Mr Palinski....you will be missed!
