“ *Rick, i was so lucky to have you as part of my family. You did more for my son, Casey, than his own father. I can never thank you enough for that. I loved your humor. I'll never forget the first time I met you, you came to pick me up at the airport, i was scared to have this strange man driving me so many miles in the unknown. But you made me feel comfortable, after you promised not to be a serial killer, we laughed and told family stories. You never turned your back on anyone in your life no matter what they may have done. There just was no better man than you, i love you and miss you. Now you can have all the chocolate you want and won't gain a pound. Lol*

“ Rick (my brother-in-law) had the greatest sense of humor. Through it all, cracking a joke and making someone laugh! I will miss him dearly but I know that he is in a better place now. No more suffering, free from pain. I love you Rick! You will forever be in my heart, thoughts and prayers! Your sister-in-law, Nilsa
