

Richard Deneen Wilbanks

August 8, 1971 - February 3, 2023

Richard Deneen Wilbanks, 51 of Manteno, Illinois died unexpectedly on February 3, 2023. The loss was completely unexpected, and the family is shocked and deeply saddened.

Rick was born on August 8, 1971, to Kenneth and Bernice Wilbanks in Harvey, Illinois. Growing up he enjoyed being outside on anything with wheels, especially motocross. His love for being outside hasn't wavered over the years, he loved riding quads, and snowmobiles, and going out fishing with his dad and son. He had a knack for always finding a home for stranded puppies, namely just bringing them home from childhood to adulthood. This is a testament to his kind and giving nature that many have known and loved. Rick is survived by his son Jay'vonn, his parents Kenneth and Bernice, and his siblings Troy, William, and Jamie. There are no events planned as the family would like to have a private memorial to celebrate his life.

Arrangements by Clancy-Gernon Funeral Home in Bourbonnais.
