“ Dick always supported and rooted for Luke and Dylan. As the boys' former baseball coach, I got to know Dick a bit and it was clear that he was an important part of, and positive influence upon, the boys' lives. And, it was clear how much the boys loved him. What a tragic loss! After losing track for a couple of years, we bumped into Dick and the boys at the Friendship Festival this past summer. The boys had grown into young men. They were respectful, made eye contact, they were friendly and it was clear that they were enjoying life. If the purpose of one's life is to make an impact upon the lives of others and to leave a lasting legacy, Dick lived a very meaningful life.

Sincerely,

Don, Inge, Ben, Simon, Colin and Sara Clark

“ Since we are not from this area originally, it is always nice to see a friendly, welcoming face when we attend events. Dickie was that face. Since our boy is the same age as the twins, and involved in the same sports, Dickie was always at the football games and wrestling meets. He was also at all of the practices. If we ever had questions or concerns he was able to give answers or reassurances. He was supportive of our son, and would offer rides if we couldn't be there. Truly a beautiful person. He was taken too soon and he will be remembered by so many. We love you guys and we will be here if you need anything. The Schumer Family
