“ *My husband worked with Rick and he would come home talking about this man that trained him. He always said he was a wizard at everything he did and he knew so much!!! When I got to meet him and Sandy at a cookout we had I knew exactly what he was talking about. I am so sorry that he is no longer with us, but know that he is no longer in pain!!!! Sandy I can't make the service, but am thinking about you!! One day I will pop in to Beaverville and see you!!! Big hugs and prayers being sent to you from both Dean and I!!*
