“ A little time has passed and this seemed to fit . I miss you so badly , not a day goes by I don't think of you .

For you Duane
i ½

Flying on the wings of freedom

I soar across my life

I suddenly release my anguish

I've been freed from my strife.

I held a boulder for so long

I was weak and heavy laden

My walk was hard and tedious

For release I was waiting .

I know that you will weep for me

Because I left you alone

Know that I am with you still

I watch from heaven's throne.

One day we will meet again

But for now I'm watching you

Holding your hand and waiting

or when you come here too

Keep me always in your heart

Believe I am at peace

God held out his hand that day

I took it to end my grief.

My walk on earth was blessed

Because I had you to love

You are my family and friends

Remember I am right above.

So please weep no longer

Write on my heart your word

Tell the story of heaven

The greatest that's ever been heard.

“ Sis

How can I begin to let you go? I will miss you very much my sister my friend .I love you so much and I have always looked up to you. You have ĩ½remained a positive role in my life and one who would guide with love and understanding. I will forever cherish all our memories that we made. I will miss hearing your melodious laughter on the telephone and talking to you almost daily.

You and I shared so many special times together and I am so grateful for them. If only once more to hear the phone ring and to hear you on the other end say,? Hey, Tambo you busy?? , ĩ½In that sweet voice of yours. ĩ½You are so blessed with a wonderful man who loves you so and I saw that love when I was visiting. You had many obstacles to overcome and he was right by your side. He focused on your every need. My dearest sister, my heart is so heavy but I know at this moment you are there with no pain. That is my only comfort in this all. ĩ½You were so scared of the pain. There are no more hurts now for you and no more phone calls for me .I ĩ½love you.

*The Lord saw you getting tired

And a
cure was not to be,

So He put his arms around you

And whispered 'Come with me.'watched you suffer

And saw you fade away.

Although we loved you dearly,

We could not make you
stay.

A golden heart stopped beating,

Your
beautiful smile at rest.

God broke our hearts to prove

He always takes the best.

It's lonesome here
without you,

We miss you so each day.

Our lives
just aren't the same

Ever since you went away.

When days are sad and lonely

And everything goes
wrong,

We hear you gently whisper,

'Cheer up and
carry on.'seem to smile and say,

'Don't cry, I'm in God's keeping,

We'll meet again someday.'
