“ We used to be co-workers. We had a lot of fun at work. She would always put a smile on my face each day. It's been awhile since I last seen her, but thought about her through out the years.
I saddens me that her family and friends are dealing with her loss. I am so sorry and I will hold her family in my thoughts. Peace be with you Rita!

“ Rita was a former employee of mine when I managed the Mier Oil BP station on Court Street in Kankakee. She was a blast to work with. Had lotts of fun. She will surley be missed by her family and friends.

There have been times I have thought back of those days and the employees I had while I was empolyed there. Rita was never shy about expressing her feelings and I think that is what I admired most about her.

You rest now Rita and keep smiling. God bless you... <3###imported-begin###Christine Huffman###imported-end###
