“ *The Rosendahl's send their thoughts and prayers. Thank you for contribution to the world with your wonderful daughter Diane. I have such fond memories of your mother as I looked at her picture on the website. When we were little the very highlight of our birthdays was coming home and finding our card in the mailbox with a dollar in it. How she remembered year after year is hard to imagine now. Of course we never properly thanked her for her kindness. I hope she knew how much it meant. We thank God for her many years of good health and her short illness. Imagine a short while ago she was mowing her lawn. Diane we know how hard it must have been for you and especially your husband whom Mothers speaks so highly of for the care that he gave her. We are thinking of you, know that we wish we could all be there. Take care, Sally##imported-begin##Sally Rosendahl##imported-end##*
