“ Grandma.....words can not express how much grandpa will be missed. Not a year has gone by that Grandpa hasn't been a huge part of my life. As a little girl and now as a mother myself, he was always there willing to lend a helping hand. First as a grandpa then a great grandpa to my girls and the last few years as a friend, he has always been there. Not a day will go by that we won't think of him with love. I love you....
