An Angel whispered take my hand and come with me you're work here is done.

I went away to a place where there's no tears, nor sorrow only laughter and smiles, there will always be a Tomorrow.

As I move amongst the clouds.

I'll look down and smile upon you, while the angels sing a heavenly song.

I am not alone all who went before are here they awaited my return.

I know you'll grieve and wish I was still here I am here in the memories you hold dear.

Remember how much I love you and know I took your love with me.

I did not wish for you to cry, nor feel sad.

My pain is gone and I am Free!

Soon you'll come to me until then God will be with you Just as He's with me.
