“ Bob was a great man, I got to know him and Elaine through a close friend of their daughters and he was such an amazing person! Kind, generous, loving and happy is how I will always remember Bob! I'm sad to just find out about his passing, we moved out of state at the beginning of October and my husband was just reading the obituaries in the Journal and told me. My heart is sad to hear about his passing and Elaine and family will be in my prayers! The world lost a great and awesome man!

“ Bob was such a kind man, His daughter was a dear friend of mine. He and Elaine took me in and cared for me like I was their daughter at one of the most difficult times of my life. I will never forget how loving and kind they were to me. Bob often made me my favorite breakfast and I will always think of him when I make it. Rest in Peace, you will be missed.

“ I lived on South Evergreen Avenue in Kankakee in the 1950's and 1960's. We would go to the Rivera Pharmacy for cherry cokes. That is where Bob worked then. Over the years, I continued to go to that pharmacy, even when it moved a block away. Bob was my pharmacist for years. He was the nicest person; always pleasant; always professional. I always told him that he should have worked in radio because he had a wonderful voice. He would always laugh at that. Sympathy to his family. He was a terrific person. Virginia (Savoie) Shrove

“ That great smile...Jimmy and I were roomies for awhile at ISU and I still remember Mr. Clark's "humor" with us. He was an exceptional person and the world will be worse off not having him still in it. Rest in piece, and my thoughts will be with you Jim...

Thanks much Greg. The impression that my dad is universal. I know that your family just suffered a loss too, with Jeff's passing. Thoughts with you as well.
