“ Robert was very active in his church. A great Christian and strong example to all who follow after him. I always called him Robert and one time, 55 yrs ago, dad called him Bob. I asked "Bob who", dad said "Robert" and I replied, "ya, one of my best friends". I always left any of my uncles either felling good about myself or learning something worthwhile. Robert was a very special person.

“ My Grandpa was the Best, always busy and strong. Super nice and smart. I'm glad I told him I loved him. He reminded of my Dad, and looked like him. I would have had my Grandpa walk me down the aisle if I got married. He was a dad to me and helped me my whole life~he could fix anything. I will miss him bad for the rest of my life.
