“ *Bob was like a father to ne for 6 years of my life. He was the first person to ever give me a rea job and tell me "good work" on a daily basis. Bob also took me to places ive never been in the process of showing me the ropes of the music industry. He will always have a place in my heart as a father, teacher and mentor.*

“ My best, best, best friend in high school and after. Hadn't seen him for several years and meant to get in touch with him recently!!! We had some awesome, awesome adventures and the stories I could tell!!! Truly an idea man and I will sorely miss him in our world here! Love you, Bob!

Tom and John, please let us know how we can get in touch with you. Mom is in south Alabama right now, but she wanted you to know that she was thinking about you - you've always been "family" and she is sorry she isn't up in IL to attend the services.

“ *My father was one who loved to have fun, he was the one you looked for in the crowd wearing tye-dye!! His joy was music and being at his cave, meeting new people and enjoying life. Many people know him as the "cave man" and that is what he was! Daddy you will be missed so very much, I have so many wonderful memories to share with you. I was a lucky little girl to have a father as I did. Today we will all be there thinking of the times we had with you. We will celebrate your life and be as colorful as we can for you! I love you so very very much, and I know I do not have to tell you that as we were so good with communicating it! Love you Papagee!!! Xoxo*
