“ Tears

*Tears streamed down my face when I heard
you went away.
I love you grandpa I will love you everyday.
As my tears raced down my face I knew you'd soon be in a happier
place.
My love will follow you wherever you go
Oh how I love you so
Although I feel sorrow and hate
you can't fight fate
you told me everything as time passed by and by
I never wanted you to die
We did alot togehter throughout the years
I want you to know I will never let you go
I know you loved me too
My heart willalways be with you
Now it's time to say goodbye
until I see you again someday when I die.

“ *Bob was a real funny guy, who loved to get a chuckle out of you. I'm sure he's in a good place, and there are plenty of friends and family around who will be willing to pull his finger! Thanks for making us laugh, Bob--your co-workers will miss you!*
