“ It feels like I've known all you guys forever but it's only been 3 1/2 years. ĩ½I will miss hearing the words "Hey sister-in-law". ĩ½There were so many times I caused trouble between the two of you making you go places with me and leaving the kids with Bob. ĩ½Bob has always been there to help us with whatever we needed even if he didn't want to. ĩ½We would never listen to him about our cars until it was too late. ĩ½We fought and nagged at each other like brother and sister but at the end we just laughed it off. ĩ½Bob was always a peace maker and never a fighter. ĩ½That is what I loved about him. ĩ½Alice remember I am here for you day and night whatever you need. ĩ½I love you no matter what.##imported-begin##Carrie Slager##imported-end##

“ You were the best, I'll remember all the great times we had out drinking and tearing up the town. I'm sorry for all the times I got you in trouble with my sister but you have to admit we had fun doing what we did. More importantly I'll miss you always saying Whats up Brother-in-law. Rest in peace I love you###imported-begin###Frank Slager###imported-end##

“ Bobby was always quick to laugh, to smile, to help anyone in need. I haven't seen him in about a year, but will always remember his kindness & friendship. The family has lost a kind soul, loving father & husband. He will be missed. My prayers are with the family.###imported-begin###Tracie Swann-Viehweg###imported-end##
