“ Dear Rosemary  
  
  
  
We are going to miss Bob so much. I so enjoyed watching him in your garden due to I can't even grow a weed!  $\frac{1}{2}$   
  
The grandkids always wanted to run over there to see him, especially our grandson Mason, and Bob never seemed to care.  
  
We just have to remember he is watching us from a grand seat up above now and he will always be with you.  
  
Love and please take care of yourself.
