“ I am deeply saddened by the thought of not being able to hear Uncle Bob tell one of his interesting memories about our family. He was great at sharing stories and he told them so well.

Uncle Bob, in a way, reminded me of my dad. I will miss him dearly.

My love and support are with all of you, I understand how you must be feeling. May God give you Peace during this difficult time.

“ My love & prayers are with you all at this difficult time. Uncle Bob was an inspiration in my younger years....always on the go, laughing, ready to tease you about something and loving the outdoors. He always found some small way to make each of us feel a little special. He lived a full & rewarding life....I'm sure God has a place for him in the sun, near a great fishing hole.
