“ *Didn't know Bobby had passed away until I saw his name in the U. A. Journal (plumbers local union magazine). He was a character and he was a good plumber! Worked with him at the old M.J. Corboy Plumbing Co. in Chicago. We had fun! Sorry he's gone now. My condolences to his family.*

“ *My Uncle Bob was one of those guys who celebrated life! His booming voice and those pointed expressions made him such a character! As a kid I half-feared him, but at the same time I loved having him around--because you just didn't know what would happen next. With him you were a part of the party no matter how much a wall flower. I am grateful for his joy de vie. It touched many, including me.*

*To Scott and Chris, and your loved ones, my heartfelt condolences on the loss of your Dad.*

*Love,  
Holly*
