“ Hello,

*Not many people knew of me, but I am Robert D. Turnipseed's read daughter. My father was married to my beloved mother Joan I . Turnipseed. My birth certificate proves it for any skeptics out there. I loved my father and forgave him for abandoning me all my life. I paid for a minister and Taps to go to his funeral. No caregiver did anything for my Dad when he passed away. I was the forgotten about daughter and the only one who cared in the end. I will miss my father very much and will always love him. My wish is that he is heaven with my beloved mother who passed away when I was 4 yrs old and she was only 29 years old. May my beloved father rest in peace with the Lord in heaven. I hope he is with my beloved mother. God Bless anyone who cared for my father.*

*April Turnipseed*

“ My husband Brad Hove really enjoyed visiting with him...whenever he would drop by the dealership, he was so complimentary about our family. He came to our home one time to give Lilly a "fist full" of suckers because he had such a kind heart and loved our kids just because he saw so many of their photos on Brads office walls....wow what a man - I'm thankful Brad and he were friends, because then I got to meet him too.

“ Robert was a wonderful kind man, always a smile for us. His wit and ability to converse on any topic will be missed, he was truly one of a kind. Godspeed cherished friend.
