“ Pat, my deepest condolences to you and your entire family... I'm sorry we were out of state at the time of Bob's passing, I would have tried to be there to give you my sympathy in person. ĩ½It was so thoughtful of you to be in touch with us at the time of my mother's passing last spring. ĩ½And I have had the pleasure of some recent contact with your brother-in-law Bill. ĩ½As the years pass so quickly by, it is always nice to reconnect with old friends. ĩ½We were saddened to hear Bob's health declining so rapidly. ĩ½I pray many, many good memories come flowing to you in remembrance of Bob and his wonderful outlook on our God-given life, and that all of these memories help give you comfort in this time of sorrow.##imported-begin##Joyce (Beaver) Hosier##imported-end##

“ I was saddened to hear of the passing of uncle ĩ½"Bob". Growing up and ĩ½spending a whole bunch of my childhood growing into manhood with my cousin Chuck uncle Bob always treated me with respect and served as a man that taught his children respect and the rewards of hard work. It was along time ago but I still remember the smell of cookies everytime I visited uncle Bob's house. Time marches on but the things that happen to each of us in our pasts are things that will always be with each of us. He was a good man that did right by his family and may god bless him.##imported-begin##Ron Wingerter##imported-end##

“ Robert was like a father to me. When I got burned at work Robert, was the only person from work to come see me. I was Robert boss for many years at Henkel. I always thought the world of Robert and will never forget him. Love to his wife and family. ï¿½Robert is with our father in heaven and some day I hope to see Robert again.##imported-begin##Creighton J Coxey Jr.##imported-end##
