“ *My deepest sympathies to Robin's family and friends. I knew Robin
in high school and she was one of the most genuine and sincerely
good people I knew. I'll never forget the note she passed to me on
my birthday one year in class with a little poem she had written, very
funny!
She was witty, resilient, and cared so much about others. So glad
we were able to see each other again a few years ago in Kankakee.*

“ *My very deepest sympathy to Greg, Steve, and all of Robin's family
and friends. I had just reconnected with her on fb after about 55
years and was so happy to do so. We connected like old friends do
which speaks highly of her that she would do that. I did not know
she was very ill however. She chose to only speak of happy things
and was still a very sweet person as she was as a child. I will miss
her greatly. I am very sorry to see in the obit that she lost her
husband and a child. I was at the house every day when they lost
Dickie. All of her family and others who loved her will be in my
prayers. I still hope to see her again one day. A blink of time's eye.*

“ *You were our neighbor for years on Evergreen. I grew up so scared of your dog, even though he was a sweetheart. I am sorry to hear of your passing. I know you are at peace now.*

“ I enjoyed seeing Robin as she was such a storyteller. She enjoyed sharing what was going on in her life, and especially with her grandchildren. They were the light that brought her happiness and joy. She always had a smile on her face when she talked about all the things they would do together. Sending a group hug to them and my deepest sympathy to her family.
