“ I will never forget when I first met Robin in a Lamaze class almost 20 yrs. ago. I½I was so young and afraid to be having a baby and he made the class so much fun with his quick wit and hilarious jokes. I½A long time has passed, much sorrow has entered into our lives but we rejoice I½in the fact that he is now in the arms of our heavenly father. I½I will always remember Robin just like he was when I first met him... always making me laugh.

Nancy, I am here for you ANYTIME, and my prayers go out to you and the kids.

Much love,

“ I met Robin at Olivet in July of 1997 when we began the Olivet MBA program together. It was Robin who made the long Tuesday's nights fun and insightful. He was very witty, his laugh was very contagious, and his eyes twinkled with kindness. He had a very kind heart and had a great commitment to the MBA program, his family, and his life, I will remember Robin as a source of inspiration. I recently bumped into Robin at Lowe's about 2 months ago. He was kind, helpful, and very committed to his job. My deepest sympathies to his family and many friends.

“ I have always though of Robin as my best

friend and the oldest that I had. The one best friend that one has when you are growing up as a kid. And the big move that he and this family had to make. This all came about,when I was looking for a job this week,and a Cullagan job came up from Monster.I started to look for any connections that I could use. I'am always looking back my life,in past years,and thinking

of Robin and his family. As I looked for

Robin Hylbert on google, I found this very sad news, I can not belive this, we are so young, parents should never have to go though this. Not the Hylbert's, not the Kaiser's and not the Henkey's. I am so sorry....

“ Robin had one of the biggest hearts of any man we have ever known. He not only welcomed us into the community when we arrived but he welcomed us into his family as well. For that we will always be grateful. He was generous and kind. We will forever remember him standing on a soccer field sideline rooting on his team. With his loud voice and wonderful laugh we always knew exactly where to find them. We are so sorry for his loss. We hope he is finally at peace.

“ Robin brought a passion to Dynamo soccer that helped the league grow. His desire to have his children and others to do well was clear to all of us. His enthusiasm helped all of us enjoy the games even when the weather was bad. His will to win never stopped him from teaching and encouraging every player to do his best. His positive attitude will be difficult to replace. My condolences to everyone in his family.##imported-begin##Rich Howell##imported-end##
