Tribute: I work with Rodney's mom Sandy. When I heard that her son died it really hurt me to hear that because she had been through a lot with her son being sick. Any how it is real difficult to have some one close to you go to heaven. And I give love, and my heart out to the family because his mother is a very sweet person and a good friend. She had been there for me and my husband who is terminally ill with cancer. If you want to talk or support in any way please feel free to call me. Let me know now okay. my number is above. With Love...
