“ Beth, I am so sorry to hear about the death of your father. I had no idea that he was ill. I know what you are going through, and I just do not have the words to tell you what I am feeling in my heart. The death of a beloved father is one of the greatest losses a daughter can experience, and I would like you to know that you are in my heart. My prayers and sympathy are with you and your family at this time.

With much love,

“ What can I say about this wonderful man?! I worked with him and I was assigned to train him. I never had so much fun with anyone at any job as I did with Roger. He always made my day, so much fun, he never stopped joking! Even after we retired, I looked forward to seeing his posts on FB. He will truly be missed. Hopefully we will meet again in the next world.

“ *I'm so sorry to hear this! Prayers with you all! I never spent much time with him, I hardly knew him but we were together on Facebook. I enjoyed the funny jokes, and family pictures. Be sadly missed!*

“ *Sad to read that Roger has passed away. We were school classmates for years in Kankakee. He was a good guy and will be missed by all who knew him! Darla Stanley offers her condolences as well. She doesn't use the Internet.(She is the widow of Bucky Green, another classmate).*
