“ I know you have been through some tough times the last few months, just remember all the good times you two had together. Those are the times you will always treasure and be able to bring a smile to your face when you are feeling down. I know Roger left an impression on everyone he met and I will miss our discussions (good or bad) we had over the years. Donna you will always be in my thoughts and prayers. Just don't be afraid to ask if you need anything. Love
