“ We grew up next to the Schwartz's. We loved visiting them
(practically daily) as we were growing up. When I was younger, I
wrote a card to "Mr. and Mrs. Shorts" and the name stuck. I
remember the ice cream socials, chats on the porch, his bringing us
May Day flowers, and that he would always say that he was "fine as
frog hair". We would look for him every time we went into Blues,
because there was always a chance we would see him there. The
Schwartz's are a wonderful part of my childhood memories, and he
will certainly be missed.

“ When I was living in Kankakee over 6 years ago plus, I had the
privilege of doing his dental cleanings, but more so the privilege of
getting to know him. He as always so pleasant and positive.he alays
spoke so fondly and well of his family. He told me all types of
stories. Was there a statue in the front yard named Oliver? I'm
grateful to have met such a nice man. My deepest condolences to
his family. Rev 21:4

“ Deepest sympathy to the Schwartz families. Romey was a sweetheart and we always enjoyed going to dinner with Ruth and Romey. One fond memory was the ice cream socials that they would host at their house. Blue's has lost one of its favorites! Sending hugs to Ruth and Mary. Romey, we love you!
