“ What can I say, The Arseneau family has always been a part of my family.Our mothers were students together, they raised their children together,It truly was a time when everyone loved and cared for each other,and watched out for each other.....Ron and Liz had an extended family of children who they helped raise, I was one of those kids. Of all my childhood friends, Sandy has remained a life long friend.

May God give you patience and strength in the coming days.

“ Our thoughts and prayers are with you at this sad time. I remember the times we'd go to your house during college and how friendly your Dad was to me. Both your parents made me feel like part of the family.

Even though I haven't seen him in years, I know he'll be missed.
