“ You were always my favorite uncle. The absolute coolest, easiest going, and most supportive uncle to grow up with. You made me feel so important and happy just by showing your interest in what i was doing and the way you would joke with me. You were real. Thank you. You were loved. May you Rest in Peace.

“ Ron was a true friend who always had kind words of encouragement. He was a Fantasy Football "guru" and I always looked forward to him giving me grief about my team! He knew how to make me laugh & never took himself too seriously. I will miss him. My prayers are with the Baughman family.
