“ My heart and prayers go out to you.

In the 30+ years I've known Ron I've seen him go through a lot of changes. ĩ½It's inspiring that Ron's outlook became more philosophical and spiritual over the last few years, even as his physical health was beginning to deteriorate. ĩ½I'm really going to miss my friend, but I'm glad his suffering is over and he's at peace. ĩ½Love, Carol##imported-begin##Carol Nutter##imported-end##
