“ *Rachelle, Ashlie and Families: I'm so very sorry for your loss! During my 30 years as an automotive sales consultant no General Manager of a New Car franchise has come close to Ron Ferrari as a motivating force.....I couldn't wait to attend one of his sales meetings!! He had a true passion for his profession, and for his daughters! A great part of the foundation of my career had been the result of Ron's mentoring. I wish I could have attended the wake but was not able to. My deepest sympathy, Bert*
