“ Ron. We had a great time at UNM. It was very nice to see you shortly before you left Las Vegas. Over the 40+ years I did not see you, I always remembered you as a genuine warm hearted friend. I was saddened when I learned about your passing. Still smile when I think of ~~Who can? We can. Kankakee can.

God Bless.

“ Little Bit, we have the utmost sympathy for you and all who were close. As you know Ron and I were joined at the hip in growing years in our 20's. I will never forget him. The Flammond family and myself were very close. May God have open arms for this wonderful guy. God Bless!

“ Ron always had a smile that brightened every room! He was a great guy with a great character. He was a quiet leader. He showed respect to everyone he came in contact with in class or on the field. He will be missed by his classmates. May God give comfort and grace to each member of his family in the days ahead, as well bring wonderful memories of the wonderful times you had together.

“ Remembering so many years of chat and working crossword puzzles at the break table. Always an optimistic view of all situations when things went sour at work. I have missed Ron and thought of him fondly often since retiring. I know he is in a better place now and I look forward to seeing him there. RIP RON and save me a place at your break table.
