“ I would just like to say what a pleasure it was to know Ron. i½He  
was a very kind person and always had a hug for me when I would  
see him. i½I am glad he was enjoying living life in the community  
and not in a nursing home. i½He would tell me how much fun he  
was having bowling with his friends from Azzarelli and how much he  
appreciated his freedom. i½I will remember him with fondness.

“ I am in shock to say the least. Ron and I were buds when we were in grade school and in high school. During the summer months we spent many nights at the park watching baseball games and eating Cracker Jack. We always had a good time and we were always good friends. He knew he could always depend on me and he me when we were in Herscher. To his family I send my condolences and sympathies.  
  
I will always remember Ron.

“ Ron was a really nice, sweet and quiet man. Ron and I use talk about the things we wanted to due in the next year. Ron joined our EA group and hardly talked but after several weeks in our EA Ron started opening up and talking about his feelings. Ron was starting to make freinds. Ron loved spending time with his little dog max. Ron was very happy to make friends and when he saw them he asked how they were. If you were upset he would make you feel better by talking to you. I will miss Ron gentle kindness and mostly his friendship.##imported-begin##Nikki Lamberes##imported-end##
