“ *I knew Ron from the father/son duo Landry & Reneau Plastering. They did countless jobs for us at Shapiro and did wonderful work. Always loved Ron's friendliness and his smile. I just saw him at the store a few weeks ago and am stunned by his passing as he was so full of life on that day. May God bless his soul.*

“ Ron was a very good friend throughout grade school at St. Teresa, we played basketball together. I think we were the shortest guys on the team, but we always gave our best. I lost contact with him when I moved to Florida. Last summer a group of us were trying to get a St. Teresa grade school reunion together, and one of our classmates had spoken with Ron and he expressed great interest in joining the group. We are all sorry for the family in their time of loss. Our thoughts and prayers will be with you during this difficult time.

“ I was honored to know this sweet man as a son, husband, father and brother. His smile would light up a room! His love for his mother and the closeness of your family is something all families should experience. He would always make me smile or laugh with his antics while visiting his mom or attending an event at Heritage Woods. I know we were not supposed to have favorite families but you were mine. I'm sure he is in Heaven, still smiling. Ron will always be remembered and your family will always hold a special place in my heart. You are all in my thoughts and prayers.

“ How sad I was to learn about Ron's death. The great memories of him, are something I will cherish. God please wrap your arms around Cathy and family at this time. Heaven was needing an Angel, and they picked a wonderful one. He will be greatly missed. I guess I will have to wait until we meet again to see him in that polyester suit.
