“ *Ron, you will be deeply missed. You were one of my oldest friends. I'll never forget some of our "Kankakee Journal" adventures. Judy and I often recall the fun times we had with Berta and you when neither of our families could afford anything more than an evening of playing cards and cooking on our grills at midnight. How about that wild ride we took to "Glorydale" on New Years Eve, 1968! You lived a great life and left a wonderful legacy for your family. Rest in peace my friend. Armand & Judy Bloch*

*Our condolences to Roberta and family. Ron and I attended school from 1st grade through high school. We occasionally walked to Lafayette grade school. While walking to school on a cold winter day, in 2nd grade, with snow on the ground we decided to throw snow balls at the local mail vehicle. We both hit it and vehicle stopped. The mail man got out and said he would turn us into the police if we did that again because it was against the law to hit mail trucks. We told him we wouldn't do it anymore and off to school we went thinking we were criminals. I reminded him of this at the last reunion (50) and he said he never told anyone about it and laughed. Ron and Roberta have always been the most cordial couple we ever met. Karen and I will miss Ron very much.*

*Deepest sympathies to Roberta and family. We were old school buddies from the "West-Side" gang and stayed in touch through Oran. When we reconnected a decade ago I found him to be warm, cordial, and just like we were 60 years ago. Great guy!*

*Our condolences to Roberta and family. Really got to know Ron while a member of the Stage and Sound crew at KHS. Thought separated by distance our friendship continued, reinvigorated at the class reunions. You could always count on Ron. I have many great memories of our times together. Ron was always humble, kind, friendly, and compassionate. The Class of 61 has lost an anchor member.*
