I can remember the young newly married couple moving in at the end of the block, getting to know them, watching them with their adorable new baby girl, and then getting to babysit for Julie. I also remember my brother Marc and Julie growing up and being the best of buds! Also, my dad, my hubby and Dick Woods and Ronnie had some pretty good times together! RIP Ronnie i will never forget your laugh!!!! Hugs to Sharon, Julie, and Mindy

Sharon, Julie, and Mindy, I'm so sorry for your loss. Whenever I saw Ronnie, he was smiling and full of life. The El Rancho crowd wouldn't have been the same without him. May you find comfort and may your tears be replaced with happy memories of your life together.
