“ Our deepest sympathy to your family. Because of you and your compassion for teaching kids with special needs, you have helped our son talk more and helped him advance so much. We have stayed friends after you were not his teacher. You are a Wonderful and Precious teacher and Friend. I will always treasure all our talks. We will miss you, you will always be in our hearts. “ Ronda your kindred spirit of gentle love & joy from The Peace you walked in Touched my heart more than once. I've especially fond memories of the class my hubby led that you and I attended. Deepest loving sympathy to your son Nick, mom Audrey and dad Ron and even brother Nathan I never met for this shocking departure and yet temporal separation knowing you are in your Father's mansion. Hugs.

“ *I will always remember your gentle kind loving Spirit my Friend. The world will not be the same without you in it. Heaven truly gained an Angel when The Lord called you home. I don't understand why he took you in the prime of your life and maybe it's not for me to understand. Until we meet again my Friend. I will always love you!!*
