“ *Deepest condolences to the family/friends of Ronie. We worked at the hospital together..... always had fun at Riverside especially when I was the courier filling in for Tom. Ronie knew the Riverside “gossip” in every unit!!!! Recap- I was in Central waiting.... (My family member was having surgery.) That was the day her son had the car accident. I remember being with Ronie in the waiting room. I always admired her strength and her will to carry on even after that tragic event. Ronie is now with Ross again. She battled her cancer with bravery. Rest in peace.*

“ I met Ronnie years ago while working at Riverside & continued to see her after I retired & volunteered in the Volunteer Office. She was a trooper - so strong & never really complained through all her years of illness. May you find peace Ronnie & all my sympathies to your family.

you were afraid we might not let you leave, you see I worked on the

before you all change your minds and make me stay.Never a dull
moment.Rest easy my friend, until we meet again.

“ Oh Ronie, how you will be missed. I worked with Ronie at Riverside. I could always count on her for a good laugh. She knew everyone, like everyone! LOL She was always there to help me, no questions asked, and I am proud to have had her as a friend. Sweet girl, no more pain! You have fought like a champ for years and now, you can meet up with your son in peace. I will keep you and your family in my prayers. Rest well kid!

“ I worked with Ronie both at the hospital & at General Foods I will miss the fun times we shared all the years; her fondest memory I will treasure is when her & Gina did my Bridal Shower/bachelorette party & trying to hire strippers for it & I wouldn't let them because I was afraid we would have the older family members having heart attacks. I will miss you my friend until we meet again. Fly free from pain.
