“*Rosemary was a great lady with lots of class and also with lots of love for people and also lots of faith!! My special memories of her are when she became active on our committee at Christian Women’s Club! Once she visited our luncheon with our beloved Bev Salzman, she soon joined some of our interdenominational Bible studies and became part of our planning committee! She served in various ways...(special feature chairman, commentator for style shows, and other areas where she was so capable!). We all loved her and she felt our love!!*

“*I met Rose Mary when I was a young new photographer with the Daily Journal. I was sent to photograph her making cannolis for the Sons of Italy meal. She was a wonderful teacher! We talked about our Italian heritage and when I left I left with two things, a wonderful new friend and mentor and a box full of cannolis! Everytime I photographed her at some "do" after that she was always warm and friendly. Thank you to her family for sharing this wonderful woman with all of us for all these years.*

“ *What heartbreaking news to learn of Rose Mary's passing. She was a kind, savvy, energetic woman dedicated to her family, her community and her church. She was always helpful to me as a shopper at Alden's and at her Secrets Boutique. She was an active club member in Zonta and lent her creativity and culinary skills to events sponsored by the Sons of Italy. I distinctly remember going to a Saturday evening Mass at St. Joseph's in Bradley. My mother and sister attended that Mass with me, as they were visiting from out of town. Rose Mary, looking as classy as ever, encouraged us to attend the church's St. Joseph table after Mass. My mother and sister were so impressed with her kindness and class. She made them feel right at home. My most recent memory is when Rose Mary and her group of dedicated church women from St. Rose of Lima's St. Anne's Sodality hosted a reception after Mass when my husband, Larry, was confirmed as a Catholic. I have attended many church receptions, but the ones chaired by Rose Mary were by far the best. Larry and i extend our deepest sympathies to the Ciaccio family.*

“ We have to say goodbye to a wonderful woman who made friends wherever she went.  
I remember purchasing from her at Alden's when we first moved here. She looked so fashionable! She was kind and helpful. My favorite memories are from years later when she opened her own boutique in Meadowview, and asked me to help customers select their best colors. We had many delightful moments together! My favorite memory was many years ago, when I needed help with an Italian accent to play a role in CTW's summer production. I was a grandmother, and needed to make desserts for "props" for that show as well...edible! She made them for me, and the wonderful filling as well, and I assembled them nightly for the two week run of the show!  
The cast gobbled them up! When I was in her home, I was struck by her organizational skills. She told me her "secret" was to clean a drawer a day! I always remembered that, and have passed her adage on to many friends. I was in total awe when she showed me her jewelry drawers...and how everything had its place! She also told me "You need more bling in your life!" I will always remember that! These were gifts she shared with me.  
She is a memorable soul! God bless her and her family!

“ *I have known Rosemary since I was a baby and my family lived on East Avenue at that time. I remember going to Tony's store with my mother and grandmother for groceries. I bought clothes from her my entire life as long as she was selling them. My great grandmother helped her when she had her first baby and had just come home from the hospital. My grandmother worked at Aldens and the whole family loved her dearly. Because of the virus I will not be able to attend the funeral but I send my heartfelt condolences to all of the family. She was a fabulous loving and loyal lady and very chic to boot. She will be missed by everyone who knew her.*
