“ *Condolences to my cousin Renee and all of Aunt Rosie's family. Aunt Rosie was a real blessing in my life and the lives of my family; she made our childhood so much more fun and happy than it would have been. She taught me so much about being kind, warm and funny, when I worked at the Main Street Grill, she taught me that personally caring about the patrons was the only way to work. As the third of four sisters, I would never have had any new clothes without that waitress work, and I am really grateful for that.*

She and Uncle Harold taught me to swim, to bake pies, and to welcome friends and strangers with kindness.

I will always remember her joking and laughing, the times she took all of the kids at the family reunions to the park to play, the card games where she would cheat to make sure everyone won at least once, the pepsi and the fig newtons and all of the fun.

“ My condolences to Renee, Tony, David and the Marcotte Family.

Aunt Rosie was the most colorful person I've ever met. So full of life and love, fun to be with and not a shy bone in her body. She was generous and kind and funny. She had the best laugh. She and my Uncle Harold showed me as a child what a loving marriage was. She loved playing cards, dancing and singing, bowling and sports. As a child, she and my Mom fueled my love of Dodger baseball. She taught me to swim and would steal me away from my parents for week-ends or weeks in the summertime, so I could get a small taste of being an only child, even if only briefly. She even made doing household chores fun. She gave me my first job as a waitress in the restaurant she owned with Harold and the next year as a nanny for her daughter, Renee during the summer. Family holidays at her house in Carson are some of my fondest memories.

Cookies from her Cookie jar.... Pepsi's on ice in the washing machine....her Pecan pie.... Chicken and "noodles".... Sundays swimming in their pool and Uncle Harold BBQing the best burgers ever.... the pool table in the garage.... Playing with the McVey cousins at their house.... her pet parakeet, Charlie Bird.... a closet full of games and toys just for the nieces and nephews.... vacation slide shows.... going to the drive-in with them to see Frankie Avalon and Annette Funicello beach movies.... their jukebox that forever played Indian Reservation by Paul Revere and the Raiders.... splitting tips with her even when I didn't earn them.... eating frog legs at Uncle Red's house on vacation with her in Illinois....being at the hospital with Uncle Harold waiting for the birth of a child they had wanted so many years.... such wonderful memories!

There are not enough words to express how much she will be missed by everyone who ever knew her. I take comfort in knowing that she is in heaven with her Savior and seeing the love of her life again, Harold Longtin.
