“*Rose McClain was my aunt. She was married to my mother's brother and we were all close for many years. When my uncle passed away, Aunt Rose moved to Kankakee. Then she disappeared. Finally, I know where she went. Rest in peace, Aunt Rose, I know you are with Uncle Bob. See you at the cemetery.*

“*Rosie was not only very strongly opinionated, she was also very funny and would say some of the silliest things that you would never expect to come out of her mouth. although i had may years next door to her in kankakee, i still thought of her often after i moved. Blessings and healing to all of her family members! Dana Suprenant*

“*I visited Rose about once a month for the last few years. We became acquainted when she shared a room with my mom at Our Lady of Victory in Bourbonnais. I will miss her. My deepest sympathies to her family. Nancy Shelley*
