“ Although I did not know Ross, I believe he had to be an apple that did not fall far from his father's tree! Therefore I know he must have been a great kid! His father is one of my best friends, even though he has not been in my life for years. I grieve for Randellie and Ronie and pray for their happiness and peace.

*May God Bless Ross and his family.*

“ Ronie & family,  
No words can help heal at this point in time. But, please understand Ronie that you are surrounded by love and support. I loved walking in the mailroom to hear a story about Ross or just observing all your photos of Ross. Your coworkers are thinking of you during this difficult time...let us know if you need anything. Also to donate his organs was such an amazing gift to offer another family. Take care,
