“ Whenever I think of you I find myself drifting through time. Memories... drifting like a wave, close then far away. Only to return, close then far away. What would a wave be without movement. Who would I have been if not for your presence in my life.

Thinking of you...

“ Roxanne was like a Mom to me...
God saw you getting weary,
He did what he thought best,
He put his arms around you,
And took you home to rest.

*The golden gate stood open,
On that heartbreaking day,
And with farewells unspoken,
You gently slipped away.*

*For those who still have Mothers,
Cherish them with care,
For you never know the heartbreak,
'Til you find she isn't there.
With love Autumn Gladu & Raven LaMarre

“ *What a wonderful lady. In High School, you were the smile of the group, you were the one that had the laughter in the air. You will always be remembered as a friend and an outstanding individual! I'll see you sometime in the future, and I'm sure you will be cutting it up in heaven with the angels, but in the mean time...May God be with your family in the time of your loss.*
