“ To Mrs. Zullo, Linda, and family members:

Mr.Zullo was a nice man who took good care of his clients. He
always repaired my glasses and never overcharged if he charged
anything at all. I couldn't believe he actually made house calls for
the elderly...my Aunt Mable Hilliker was one of his patients and was
unable to get out and around. She was so grateful to him for his
willingness to extend himself "for an old lady with no money."

Please accept my belated condolences.##imported-
