“ Lisa and Lana - this is your friend Vicki from across the street growing up. Your dad was always so nice to me when we were kids - and I remember that he always had a smile on his face! I hope you are all well.

“ I will always miss my Dad. He was a good dad, fun, kind and patient, my biggest supporter raising Justin and Brandon as a single mom, always there to lend an ear and give advice, never judging. And when grandkids came along, they became his life's focus, even coaching my boy's Little League team where he became "Grandpa" to all the kids on the team. RIP Dad, you did a good job and I know you are still watching over all of us. I love you more than words can say.

“ Mrs. Arbuckle, Lisa, Lana, Angie, and Amy. I'm really sorry to learn of your husband and fathers passing. You have my deepest sympathies. He was always nice to me when I was a kid. I haven't seen any of you girls in 40 years or more. All things considered, I hope all is well with you. God Bless. Mark Billingsley
