“ Lots and lots of memories of the younger days when we all had boats and went to the Kankakee river for the entire weekend every weekend. We all kind of learned to water ski together back then, some of us more than others. You will be missed and I always considered you a true brother. RIP Russ

“ Janet, our condolences to you and your family with the passing of Russ. We met you both when we purchased your lake home in Effingham. We have had many great times there and are now going to pass it on to the next lucky couple. Russ could get his crappy limit on even the worst fishing days for most of us. We are blessed to have known him.
