“ *His Garden*

*God looked around His garden and He found  
an empty place.  
He then looked down upon this earth and saw  
your tired face.  
He put His arms around you and lifted you to rest.  
God's garden must be beautiful He always takes the best.  
He knew that you were suffering.  
He knew you were in pain.  
He knew that you would never get well on earth again.  
He saw the road was getting rough and the hills were hard to climb.  
So he closed weary eyelids and whispered "Peace be thine".  
It broke our hearts to lose you but you didn't go alone.  
for part of us went with you the day God called you home!*

“ Aunt Ruth was a graceful and beautiful person. Many of my young childhood memories include her. She had a way of letting us be crazy kids and still maintaining order. Her love of her family was always apparent. The grace and gentleness so possessed will be a void that is surely noticed in our family.
