“ To Dr. B, Tom, Barbara, & John - too coincidental that my dad was just asking me if I could locate any of you right around the time Mrs. B passed. I searched your name with the extra Z so could not find you - was not aware you'd dropped the Z! Anyway, I really wish I had known sooner so I could have made it out to the visitation to represent the Rushford family. I have fond memories of Mrs. B & everyone in your family and wish you strength in this time of coping. One day at a time.###imported-begin###Sue Rushford###imported-end###

“ I was so honored to meet Barbara Flynn at the Hilton Garden Inn, in Kankakee, IL. We shared stories of our mothers, who one is deceased, and one who soon will be. I believe we became pretty good acquaintances under difficult circumstances. This is for our mothers, Barbara: I wish Heaven had a phone so I could hear your voice again. I thought of you today, but that is nothing new. I thought about you yesterday, and days before that too. I think of you in silence, I often speak your name. All I have are memories and a picture in a frame. Your memory is a keepsake, from which I'll never part. God has you in his arms, I have you in my heart! My deepest condolences and sympathies. Barbara, you have a safe journey home, my thoughts are with you and your family always.##imported-begin##Christine Bowers##imported-end##
