“ Am so very sorry to hear of Sally's passing. She had a smile that would win you over and shared many laughs with her at Sea-Land. She was a very special lady.

“ Mom (Marge Heeler) and I wish to extend our sympathy to Sally's family and friends. We met Sally several times while Evelyn was alive and she was a very sweet lady. John and I visited with her back in 2013 at lunch when John and Sally were both taking treatments for cancer....now both are gone and most likely in a better place with no more suffering. I am sorry to hear of her passing. May she rest in peace. Sheila Cailteux Blasey & Marge Cailteux Heeler

“ Sally was my very first boss. I was 18 and totally out of my depth at the State Hospital she took me under her wing. She was no nonsense indeed, but she was the best boss I could have ever had. We became life long friends. I have thanked God all day that we made plans and did meet for lunch this past June. What a wonderful day we had. Even though you are gone, I will miss you forever.
